

Infection Control

This Course is suitable for all sites where staff members can be trained in Infection Control procedures. The course is an ideal method for Management to discharge certain responsibilities under relevant State Occupational Health and Safety Act 2004, Duty of Care and Standards of Aged Care - Part of Standard 4.7 and Standard 1.1. The need for Infection Control training is further supported by The Occupational Health and Safety Act 2004 107/2004, all associated Acts, Regulations, Codes of Practice and other applicable Legislation.
